Support Letter

Objective:

Support of NGO Krajina's Project Proposal "THE Founding of the Centre for the Organised Agricultural Production Whose Purpose is Development of the Multiethnic Society and Self-Sustained Return in BiH"

OHR supports NGO Krajina's Project Proposal "The Founding of the Centre for the Organised Agricultural Production Whose Purpose is Development of the Multiethnic Society and Self-Sustained Return in BiH"

NGO Krajina plans to establish electronic agricultural goods and service exchange that will contribute to expanding of agricultural production and rural development.

We find this project to be beneficial and useful for our community, and that its realization will contribute to economic development of the region.
